

# Blunt's Pond Ice Skating Community Service Day Saturday, January 5, 2019 10:00 AM - Bloomfield Park

Frenchman Bay Conservancy, The Lamoine Parks Commission and Lamoine Recreation Committee present a community ice skating/clearing event on Saturday, January 5, 2019 beginning at 10AM, weather and ice safety conditions permitting.

Currently, the ice is in beautiful condition. A couple inches of snow is possible prior to Saturday, with a chance of warmer temperatures and rain late Saturday. Shoveling off a skating area is the goal.

Bring a snow shovel, a mug for cocoa, and some ice skates, dress appropriately and have a great time!

The event is part of a statewide community service day.
